Dee

Remind me what that meeting you guys had set up earlier in the year with the state and the tribe didn't take place. And if asked, remind me of any other coordination you have done with the two parties.

Thanks

Greg

Mike

I understand the governor of Utah sent a letter to the Administrator regarding the U&O FIP and consequently, Janet has asked OP to hold off on clearing the FIP. Have you seen that letter by any chance or received any feedback from Janet on what she is thinking?
